**DEFENDANT’S MOTION FOR LEAVE TO FILE POWERPOINT PRESENTATIONS
AS EXHIBITS TO CLAIM CONSTRUCTION HEARING TRANSCRIPT**

On July 8, 2013, David Oberdick, the Special Master designated by the Court in this case, presided over the claim construction hearing. During the claim construction hearing, both Plaintiff, Air Vent, Inc. (“Air Vent”) and Defendant, Owens Corning Corporation (“Owens Corning”) gave PowerPoint presentations summarizing the arguments raised in their respective claim construction briefs. These presentations contained images illustrating each party’s positions which will be referenced by, but not contained in, the court reporter’s official transcript of the claim construction hearing. Consequently, Owens Corning respectfully requests leave to file each of the PowerPoint presentations as exhibits to the transcript of the claim construction hearing. Owens Corning submits that attaching these PowerPoints as exhibits to the transcript of the hearing would clarify the record so that the text of the transcript can be read in the context of the images which were presented to address the issues argued therein. A complete copy of Air Vent’s PowerPoint presentation is attached as Exhibit A hereto. A complete copy of Owens Corning’s PowerPoint presentation is attached as Exhibit B hereto.

Respectfully submitted,

Date: July 12, 2013
